A party shall be excused from performance under this agreement for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

3.42 Records and Audit

Vendor agrees to maintain detailed records pertaining to the price of services rendered and products delivered for a period of three years from the date of acceptance of each purchase order. These records shall be subject to inspection by the procuring entity and appropriate governmental authorities with the state of Alabama. The vendor shall indemnify and hold harmless the System from any loss, cost or expense suffered or incurred in connection with any claim, suit or proceeding brought against the System so far as it is based on defects in products provided to the System.

The vendor hereby covenants and agrees, at its sole cost and expense during the term of this agreement, to indemnify and hold harmless the System and its officers, agents and employees against and from any and all claims or demands by or on behalf of any person, firm, corporation or governmental authority, arising out of, attributable to or in connection with the use, occupation, possession, conduct or management of the vendor concerning the equipment or services performed and rendered hereunder, including, but without limitation, any and all claims for injury or death to persons or damage to property. The vendor also covenants and agrees, at its sole cost and expense, to hold the System and its officers, agents, and employees from and against all judgments, costs, counsel fees, expense and liabilities incurred in connection with any such claim and any action or proceeding brought thereon, and in case any action is brought against the System or against any of its officers, agents, or employees, by reason of any such claim, the vendor upon notice from the System will resist and defend such action or proceeding by qualified counsel. However, the provisions of this Section shall not apply to any claims arising from the negligent or willfully wrongful acts or omissions of the System, or its officers, agents, or employees.

3.45 Website Maintenance

Vendor agrees to maintain and support an Internet website for access to the ESS, configuration assistance, product descriptions, product specifications and other aids in accordance with instructions provided by the contract. In addition, vendor may provide electronic commerce assistance for the electronic submission of purchase orders, purchase order tracking and reporting.

information must be included in your response. Failure to disclose this information in your response will result in the elimination of your response from evaluation. If your firm is awarded any contract as a result of this REQUEST, the System reserves the right to furnish a copy of any resulting contract to the State of Alabama Ethics Commission as directed in the Code of Alabama, Section 36-25-11, within ten (10) days of award.

System employees are not allowed to accept personal gifts or gratuities.

3.47 Replacement Parts

Replacement parts may be refurbished with agreement of procuring entity.

3.48 FCC Certification

3.49 Site Preparation

A procuring entity shall prepare and maintain its site in accordance with written instructions furnished by the vendor prior to the scheduled delivery date of any equipment or service and shall bear the costs associated with the site preparation.

3.50 Assignment

The vendor shall not assign nor transfer any interest in this agreement or assign any claims for money due or to become due under this agreement without prior written approval from procuring entity.

3.51 Survival

Certain paragraphs of this agreement including but not limited to Patent, Copyright, Trademark, and Trade Secret Indemnification; Indemnification; and Limit of Liability shall survive the expiration of this agreement. Software licensees, lease, warranty and service agreements that were entered into under the terms and conditions of this agreement shall survive this agreement.

3.52 Lease Agreements

Vendor may lease equipment to procuring entities in accordance with terms and conditions approved by the appropriate governing authority for the procuring entity.

3.53 Vendor Disclosure Statement

Act 2001-955 requires the disclosure statement to be completed and filed with all proposals, bids, contracts, or grant proposals to the State of Alabama in excess of \$5,000. In circumstances where a contract is awarded by competitive bid, the disclosure statement shall be required only from the person receiving the contract and shall be submitted within ten (10) days of the award

Upon being awarded the contract, Alabama State Law requires that the vendor must complete a Vendor Disclosure Statement. The 2-page form and the instructions are available online as noted per Appendix D. The completed forms must be returned to the Joint Purchase Agreement Administrator by Friday, January 29, 2010. The form is required by the vendor and covers the duration of the bid.

BID FORMAT AND ORGANIZATION

4.1 Bid Format

All bids must be typewritten on standard 8 ½ x 11 paper (larger paper is permissible for charts, spreadsheets, etc.) and placed within a binder with tabs delineating each section.

4.1.1 Bid Organization

The bid response must be organized and indexed in the following format and must contain, as a minimum, all listed items in the sequence indicated.

- A. Letter of Transmittal
- B. Table of Contents
- C. Bid Summary (optional)

D. Response to General Requirements and Specifications

Within each section of the bid, vendors should address the items in the order in which they appear in this RFB.

Any bid that does not adhere to these requirements may be deemed non-responsive and rejected on that basis. The bid summary may be included by vendor to provide the Evaluation Committee with an overview of the technical and business features of the response; however, this material will not be used in the evaluation process unless specifically referenced from other portions of the vendor's response.

4.1.2 Letter of Transmittal

Each response must be accompanied by a letter of transmittal. The letter of transmittal MUST:

- B. Identify the name and title of the person authorized by the organization to contractually obligate the organization
- C. Identify the name, title and telephone number of the person authorized to negotiate the contract on behalf of the organization
- D. Identify the names, titles and telephone numbers of persons to be contacted for clarification

EVALUATION

5.1 Evaluation Process

All responses will be reviewed for compliance with the mandatory requirements stated within the RFB. Bids deemed non-responsive will be eliminated from further consideration.

The System may contact the vendor for clarification of the response.

The Evaluation Committee may use other sources of information to perform the evaluation.

Responsive bids will be evaluated on factors that have been assigned a point value. The responsible vendor(s) with the highest scores will be selected as finalist(s) based upon the bids submitted. The responsible vendors, whose bids are most advantageous, taking into consideration the evaluation factors, will be recommended for award. Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score. This procurement is expected to result in a multiple source award.
