To Whom It May Concern:

In November 2009, the Alabama Community College System issued a Request for Bid (RFB) for a Joint Purchasing Agreement for computers and computer-related equipment.

Further, the committee also recommended that renewal of this contract should be automatic unless the *Alabama* Community College System notifies the vendor(s) or the vendor(s) notifies the Alabama Community College System within 60 days of termination of a desire to cancel participation in the contract. Based on *this* recommendation, I am hereby notifying the successful vendors that this contract shall be automatically renewed on February 23, 2011, for a period of one year, unless 60 days notice of termination is given by either party.

The vendors to whom the bid was awarded, based on the criteria specified in the RFB, are listed below:
